Outstanding Young Artists Honored for Winning the Sixth Annual Water Conservation Poster Contest

SAN DIEGO - City of San Diego Mayor Jerry Sanders, Council President Scott Peters, Councilmember Donna Frye, and the entire San Diego City Council will proudly acknowledge the creative efforts of 18 elementary school students who were the winners of the Sixth Annual Water Conservation Poster Contest. The awards presentation will take place **Tuesday, May 2 at 10 a.m.** in the City Administration Building Council Chambers on the 12th floor, 202 C Street in downtown San Diego.

The Poster Contest, which is held each year by the City of San Diego Water Department, provides a focal point for teachers to talk with their students about the importance of conserving water. This year's theme, "Save Water San Diego," gave thousands of students the opportunity to artistically illustrate meaningful water conservation messages.

Mayor Sanders, Council President Peters, and Councilmember Frye will present each winner with an awards package that includes a U.S. Savings Bond, four tickets to the Reuben H. Fleet Science Center, and a Certificate of Excellence. A list of the winners is on the accompanying page.
